

(C) Provide an accounting for the money received by the grantee under this subpart.

(vii) *Delivery of Cooperative development assistance.* The applicant must describe its previous accomplishments and outcomes in Cooperative development activities and/or its potential for effective delivery of Cooperative development services to rural areas. The applicant should also describe the type(s) of assistance to be provided, the expected impacts of that assistance, the sustainability of cooperative organizations receiving the assistance, and the transferability of its Cooperative development strategy and focus to other areas of the U.S.

(viii) *Qualifications of Personnel.* Applicants must describe the qualifications of personnel expected to perform key center tasks, and whether these personnel are to be full/part-time Center employees or contract personnel. Those personnel having a track record of positive solutions for complex cooperative development or marketing problems, or those with a record of conducting feasibility studies that later proved to be accurate, business planning, marketing analysis, or other activities relevant to the Center's success should be highlighted.

(ix) *Support and commitments.* Applicants must describe the level of support and commitment in the community for the proposed Center and the services it would provide. Plans for coordinating with other developmental organizations in the proposed service area, or with state and local government institutions should be included. Letters supporting cooperation and coordination from potential local customers should be provided.

(x) *Future support.* Applicants should describe their vision for Center operations beyond the first year, including issues such as sources and uses of alternative funding; reliance on Federal, state, and local grants; and the use of in-house personnel for providing services versus contracting out for that expertise. To the extent possible, applicants should document future funding sources that will help achieve long-term sustainability of the Center.

(xi) *Evaluation criteria.* Each of the evaluation criteria referenced in the

RFP must be specifically and individually addressed in narrative form.

(6) *Verification of Matching Funds.* Applicants must provide a budget to support the work plan showing all sources and uses of funds during the project period. Applicants will be required to verify matching funds, both cash and in-kind. Sufficient information should be included such that USDA can verify all representations.

(7) *Certification.* Applicants must certify that matching funds will be available at the same time grant funds are anticipated to be spent and that matching funds will be spent in advance of grant funding, such that for every dollar of grant that is advanced, not less than an equal amount of match funds will have been funded prior to submitting the request for advance.

§ 4284.511 Evaluation screening.

The Agency will conduct an initial screening of all proposals to determine whether the applicant is eligible and whether the application is complete and sufficiently responsive to the requirements set forth in the applicable RFP so as to allow for an informed review. Incomplete or non-responsive applications will not be evaluated further. Applicants may revise their applications and re-submit them prior to the published deadline if there is sufficient time to do so.

§ 4284.512 Evaluation process.

(a) Applications will be evaluated by qualified reviewers appointed by the Agency.

(b) After all proposals have been evaluated using the evaluation criteria and scored in accordance with the point allocation specified in the applicable RFP, the Agency will present to the Administrator of RBS a list of all applications in rank order, together with funding level recommendations.

§ 4284.513 Evaluation criteria and weights.

Unless supplemented in a RFP, the criteria listed in this section will be used to evaluate grants under this subpart. Preference will be given to items in paragraphs (a) through (f) of this section. The distribution of points to
